Scholarship Fund Drawing

It's easy to donate to the Scholarship Fund and put yourself in the running for one of the three Drawing Prizes! Your donation contact information will be entered in the Scholarship Fund's Random Picker Drawing Program and the winners will be randomly picked electronically. It is preferred that Scholarship Fund donations be made in \$10 increments. For example, a person donating \$10 would get 10 shares in the drawing; \$50 would get 50 shares in the drawing; \$100 would get 100 shares in the drawing and so forth. The more shares someone has purchased with their donation, the more chances they have of winning one of the three (3) Prizes! First prize winner receives \$400; second prize winner \$300; third prize winner \$200.

Drawing will take place on October 17, 2026.
